The special narration design, relatable characters, and story spins make it a rewarding enhancement to your shelf. So, if you're looking for a captivating read, Italiane Biografia Del Novecento is absolutely worth considering.

REVIEW OF ITALIANE BIOGRAFIA DEL NOVECENTO

• I dont think this is a spoiler alert. If it is im sorry. I have been reading this series, Im like 7 or 8 books in now. There is a recurring theme in all these books, to the point that Im not even interested in them anymore.boy vows to never marry (or just marry for convenience sake)boy meets girlgirl is indifferent to boyboy and girl have a shared interest/mystery to solveboy decides to marry girlgirl is resistantboy and girl have lots of sex (pages and pages of sex)(i end up flipping ahead, its all the same really)boy and girl finally marry and live happily ever afterAnd so far it always seems that girl runs straight into boy somehow. that seems to be how they all meet.

• The first part of this book was a total disaster. Honoria was supposed to be determined, and confident, and independent. But despite this, she let the hero, who was an arrogant bully, lead her around. ***spoiler warning!*** He kept telling her they are going to get married. She kept telling him no. But she let him get away with not just words, but actions as well - presenting her as his bride, installing her in his house, commanding her, kissing her whenever he felt like doing it... And she didn't want any of this. Except for his kisses - because whenever he kissed her, she couldn't think anymore. And even if they were in a middle of a fight, all he had to do was kiss her and she would forget everything. Come on! I hate heroines who can be controlled by simple kisses, especially if the hero is as unlikable as this one!Then Honoria wakes up one morning and decides that her dreams of Africa were only a childish dreams, and that she is in love with Devil and that she will indeed marry him. Oh, what a surprise! And I forgot to mention - everything she did up until this point she did 'regally'. This adjective was used so many times that I was going mad!!!! She sat regally, she nodded regally, she walked regally, she stood regally, she lifted her chin regally... Oh, come on!!Well, the middle part of the book was quite fine, and the time when Devil wanted to give her time to freely decide whether to marry him or not was actually quite funny. But unfortunately, this part didn't last. Soon, the adjective 'regally' came along again, and there were a few so very long and so very boring love scenes that I almost fell asleep at the spot. I like love scenes, but I don't want to read 10 pages about how he kissed her and another 10 about how he kissed her breasts and another 10 about how he undressed her and another 10 about how they finally made it... So very boring!Then there was the 'mysterious' killer, and the way they tried to discover him... Boring. And the final confrontation... And then they decided to simply burn their cousin at he spot. But they wanted to make it look like an accident, like the hut simply caught fire. Oh, but the furniture managed to escape in time, so it didn't burn. And no one came to see what was burning. Oh, and did I mention it that I hate it when the hero finds out the heroine is pregnant in a middle of a crowd? It could be one of the sweetest moments of the book, but the opportunity was wasted. But that is all this book is - a wasted opportunity!
