### **REVIEW OF STIHL BG 85 PARTS FILE TYPE PDF**

- I usually don't enjoy books written from a male point-of-view,

but this one just kept getting better & better. The ending was GREAT! At times, I loved Rachel, &, at times, I hated her.

- I received this book as a gift and I find myself going back to it over and over. Like going back to a museum time and again to look at a favorite work of art. The photographs of Clay/Ali are so personal and so beautiful. Odd as it sounds, I feel grateful that Mr. Schulke has shared these photographs with me, with everyone lucky enough to discover them. I came to Amazon just now to order this book for a friend and found myself moved to write these few words. There's something about the book and about the story of Clay/Ali that wants to be shared.
