REVIEW OF BOOK MANAGEMENT COST ACCOUNTING COLIN DRURY 7TH

- Reading this book (and the whole series) opens a door to an era while entertaining the reader with a great love story and adventure novel all rolled into one. The authors' attention to historic detail is incredible yet the writing is completely modern.
- I purchased this Bible for my husband nearly a year ago after he noticed one that I had gotten as a gift. We both love the compact size...perfect for pocket, bag, or briefcase. We are also very pleased with the accuracy of the translation (and he studies Greek and Hebrew). My only concern is that because of my own

eyesight, I can not read more than a chapter or so at a time, but I still love this little one for its portability...I'll probably just invest

in the next size up for more lengthy study times! This one makes a great gift or personal investment...with the price that can't be beat at any local stores!
