REVIEW OF NEW HEADWAY INTERMEDIATE FOURTH EDITION UNIT 5

- I absolutely loved this book. Jane's character is one that you just keep pulling for because you genuinely care what happens to her. She has a strong will and is the type of protagonist that I find inspiring. Although this is by no means a quick, light read I think that if you're a fan of the classics this is one that you need to add to your "must read" list. I look forward to rereading it!
- While I love this book and have reread it many times, I had to give it a low rating because the ebook is missing chapter 25. My daughter downloaded it for required reading for school and luckily noticed the oversight. I pulled out my well worn paperback so she was able to continue but be aware if you plan on downloading this book.
