REVIEW OF THE POWER OF GRATITUDE LAW OF ATTRACTION HAVEN

- This book was recommended by a Navy recruited when attending our high school. Said it contained better information than what we had on hand in the school library.
- I've read all three editions of Ms. Bello's book and have to say that the Final Edition was worth waiting for - particularly the information on post traumatic syndrome. In my work with both patients and prisoners and their families, I have noted symptoms of post trauma and/or depression, so am very aware that the majority of these people suffer from one or both conditions. I recently gave a copy of the book to my daughter's doctor, as I do with every doctor my family sees; and at the birth of my last granddaughter, we were surprised and delighted when he shared his enthusiasm about both the book and the medicine during her labor. To my knowledge not one doctor who has taken the time to read 'Benefits of Marijuana' has disagreed with any of Ms. Bello's findings. No one wants to admit that marijuana has been unfairly maligned for mostly fictional reasons, but the fact is that the worst side effect of the use of this plant is the law. I hope you will get educated; read the book, write a review, and join the effort to right this intolerable wrong.
