And if you ever before need assistance discovering the perfect book, our experienced personnel is right here to give personalized recommendations.

REVIEW OF EATON POWER MANAGEMENT SOLUTIONS OHIO UNIVERSITY

- By all means, choose this unabridged cassette version whether you are "reading" LOTR for the first time or for the umpteenth time! I debated whether to go with this cassette version of LOTR or the newly-released BBC CD set with Sir Ian Holm. Thank goodness for Amazon reviews because after reading that the CD set was NOT truly unabridged (how could they leave out Tom Bombadil?!), it simplified my decision. Rob Inglis is outstanding reader and does a fine job selecting an appropriate voice for each of the characters. I personally find it much more pleasing than a host of voices (of course if Sir Ian had done the entire CD version, I'd be back to a difficult decision). The point for me when listening to a book is to hear the story and use my imagination; too many voices or sound effects can be distracting.
- I have all three films on the extended DVD edition, loved them, so I HAD to read the

books!INTRODUCTION: The Lord of the Rings was released in the 1950's, and it took everyone by surprise. With many loveable characters, a great story, a great new fantasy world with many place to explore, and the rich, moving storytelling were nothing people have ever seen before. Now with the books, video games, fan clubs, and three great movies, LOTR is easily one of the best stories of all time.THE BASIC PLOT: (Contains spoilers, so beware.) The Fellowship has separated. Boromir has been slain by Orcs, Gandalf the Grey fell with the Balrog into the pits of Moria, and Merry and Pippin were kidnapped by the Uruk-Hai. Frodo and Sam, meanwhile, are heading to Mordor to cast the One Ring into the fires of Mount Doom.Like the first one, this story is divided into two parts (called Books.) Book III tells about Aragorn, Legolas, and Gimli's encounter with the newly reincarnated Gandalf the White, their encounter with Theoden, king of Rohan, the fight at Helm's Deep, and their encounter with Saruman, the treacherous wizard. It also tells about how Merry and Pippin's escape, and encounter with Treebeard and the Ents of Fangorn.Book IV tells about Frodo and Sam's encounter with Gollum, the twisted creature with two egos, one being Gollum, the other being Smeagol, his original self, their encounter with Faramir, Boromir's brother, and their encounter with the evil spider Shelob.OPINONS: The Two Towers was an exciting read! Filled with great narrating and storytelling, interesting new characters, plenty of action, and most of all, detail. This is much more longer and better than the movie! J.R.R. Tolkien is one of the best authors ever!OVERALL: A must read. Make sure you read The Hobbit and the Fellowship of the Ring first, though!
