REVIEW OF J STEWART CALCULUS EARLY TRANSCENDENTALS 7TH EDITION

- I enjoyed reading this book because it reflects ...the church. I think it points out how some people go about representing God and his teaching the way they want instead of how it is written. The 3 evils lust,greed, and power all play big parts in this book and shows how God condemns those who thrive on these evils.
- I read all three parts of this story. I just finished the lastest installment of Reverend Curtis. However, this one, the one that started it all, is my favorite. I start to question my pastor after reading this book.
