REVIEW OF DAVID ALMOND

SKELLIG 176 P

- This is an amusing mystery novel that fills the supernatural-show biz-working girl-comedy-romance niche. (And you just can't have too many of those, can you?) "Disappearing Nightly" is one of those ostensibly funny books for which the comments, "smart, cool and wicked funny," and "screwball comedy adventure," appearing on the cover blurbs actually contain grains of truth, a middling rare thing. There are actually a few good laughs. More than that, the author knows what a punchline is, has a reliable sense of comic pacing and manages to toss out some effective wisecracks. All these things have led at least one earlier Amazon reviewer to label the book as a Janet Evanovich imitation. Far worse things might be said about any book. Nevertheless, I would suggest a different and, I think, better model. The blurb on the back cover has it right with the words, "screwball comedy." Admittedly, the book doesn't achieve the rarified heights of "Bringing Up Baby" or "The Lady Eve," but it certainly catches the tone and flavor of film outings by Joan Blondell and Lucille Ball during the late 1930s and through the 40s. In fact, as I was reading the book, I found myself casting it as a B+ feature from RKO in 1940. Esther, the self-reliant, wisecracking, off-Broadway understudy would be Joan Blondell (or Lucy if Joan were tied up with another film.) Doc Zadok would be Roland Young (or Leon Errol with Lucy), Lysander, Alan Mowbray; Magnus, Edgar Kennedy and Cowboy Duke, Ralph Bellamy (of course!) The smaller parts for young women could be spread among the era's usual coterie of screen chorines and a small but potentially memorable part for a somewhat older lady could be tossed up

for grabs among the many superb character actresses then on the payrolls of the studios. Casting the gay transvestites might have been a trifle more difficult in those days, but keep in mind that Cary Grant was wearing a frilly negligee in "Bringing Up Baby" when he announced "I've gone gay!" For Hieronymus, I find myself torn between Mickey Rooney and Shemp Howard. To those of you for whom Blondell and RKO are at one with Burbage and the Globe and they, in turn, with Roscius and the amphitheater, let me suggest a more recent exemplar: call Doc Zadok "the Doctor," then imagine a TARDIS lurking somewhere in the background, modify the supernatural mumbo-jumbo into pseudo-scientific mumbo-jumbo, and-- presto!--you have a fine Doctor Who episode. (I hasten to clarify that I do not refer to the present series or to either of the two comparatively youthful twits currently disgracing the part, but to the vintage, middle-aged or even downright elderly Doctors of the past.) I have every intention of snatching up the next of Esther's adventures when I stumble upon it and I might even give a try to Ms. Resnik's earlier heroic fantasies. As far as I'm concerned, that sufficiently justifies a five star rating.

- Karen Armstrong has written a most marvelous account of her life within a very strict order of English Catholic nuns of the 1960's. Her description of the torments she endured has caused me to regard with renewed respect and affection the nuns who taught me in the 1950's. How odd that we boys who were in class with the nuns for hours each day really had no idea of what kind of lives some of them led in the hours before and after school. The moral, spiritual, and intellectual gifts they bestowed on

us daily are inestimable, even though at the time we were probably more interested in whether or not they actually had hair under their wimples!! I've noticed some confusion in these reviews about several aspects of Catholic religious orders of those days. First, despite having no contact for long periods of time with "seculars" - i.e., civilians - Karen was not in a order of "cloistered" nuns. Cloistered sisters do truly cut themselves off completely from the world and, if I can be so bold as to describe them, they live a life governed by "ora et labora" - work and prayer. In fact, though, as strict as they were, Karen's order was primarily an order of teaching sisters. But there is a much more important concept that many people seem not quite to grasp, and that is that all Catholic youth of those days - at least in my experience - were taught that the most perfect way to be a true follower of Christ was to share in his suffering. That is why those nuns were treated - and treated themselves - as harshly as any Marine Corps recruits would ever be treated - only the nun's harsh treatment was to continue all her life. Certainly, most youth who took Catholicism very seriously must have given thought at one time or another to entering the religious life. We were always told to examine ourselves to determine if we had a religious vocation, but we were also warned that it was not a calling for everyone. In any event, to decide at a young age to become a nun, brother, or priest - to dedicate one's life to doing good - was not understood by many of us to be the same as dedicating one's whole existence to God. When young people make the decision to enter the religious life they often do not know what that really entails. Some religious communities are extraordinarily strict,

others less so. The particularly strict order to which Karen belonged was obviously intent on making sure those young girls found out immediately that the religious life was not a game, that sharing in Christ's suffering was not to be an abstract concept but a concrete reality. Those young nuns were to put up with the sadism of some of their superiors in the same way as Christ had to endure the sadism of his tormenters. They were not only to tolerate it but to welcome it and even seek out even more spiritual pain and physical hardship. (As the British often jokingly say about the paddlings they endured in school, "Please sir may I have another?") This concept of self-denial is probably not well understood in our modern climate of "personal fulfillment." The total abnegation of self, of one's personal

desires, of pride, of the hope for friendship and love, was the goal of the harshness they inflicted upon themselves. Their goal was to die to themselves in order to reach God. If you do not grasp this concept I think you'll miss the heroism inherent in the story of Karen and her fellow nuns. Naturally, that kind of life is not for very many of us, as Karen eventually found out for herself. It may be totally misguided or, by modern standards, even pathological, but it's the way some people have reached true holiness. I'm very happy for myself and for all her readers that Karen Armstrong eventually chose to leave the convent and to follow another path in life. This book is not only a gift from her but, through her, a gift to us from all those other nuns who took - and take - the road less traveled. A truly wonderful and enlightening gift.
