treasures. And if you ever need assistance discovering the ideal publication, our well-informed staff is here to supply customized referrals.

REVIEW OF QUTBUDDIN AIBAK HISTORY PAK

- I can't believe they gave us this book at my christian school in the second grade. The Rev. had been in town and gave out hundreds of copies to area schools. The first couple of chapters taught me about gangs, intravenous drug use, crime, violence, and unhealthy sex. This is the book that showed me what street life was all about-much more useful than fare like "The Basketball

Diaries". So, at the age of seven, I had a window to the gritty world out there beyond the cotton fields of Mississippi. I learned that heroin was definitely not something to try, gangs would get you in trouble, and loose sex would have bad consequences. In other words, very titillating and forbidding at the same time. Since the movie Grease came out at the time I got this(77 or so), there were two visions of teen leatherboy rebellion out there-one as good, the other as

bad. Mrs. Neill shouldn't have given us little kids this book, considering we were so young, but I got some good lessons, since I might have turned out even wilder than I did.

- This is my all-time favorite book. Maybe it's because I'm partial to Arabians and love horses, but I think this is the best story I've ever read, and of course I love Margerite Henry. I have a copy of this book, and I read it once a year. It's one of the kids books that has carried over to my adult life.
