REVIEW OF QUTBUDDIN AIBAK HISTORY PAK

- This was a text in a Stone Age Nomadics course I took. She is right on the money. Tom Brown's Field Guide to edible plants is longer, however, hers is the best book of its type.
- after reading some of the other Hulk books like boiling point, Abominal, Ground zero, and Dogs of war I saw this at a book store and thought the hulk in his

early days are probably no different from the books I read so I bought it. Big mistake. The green hulk does talk and like a complete idiot too. Was that freak the Leader? I don't think so. Bruce Banner's now dead wife Betty acted like an idiot. One star because The Hulk and Abomination have a cool fight in this but it's not even that good. If you are looking for something where the Hulk and Abomination fight get Abominal, in that Bruce meets the Abomination's abused wife. Better yet, get the TV series.
