REVIEW OF PDA GUIDE

- The Chronicles of Prydain is my favorite series of young adult writing. I highly recommend this series to any child or adult who likes Harry Potter or any other series of fantasy fiction. Taran Wanderer is my favorite of the series because it brings into view the changes the main character has made in the three previous books and sets the stage for the final episode. A wonderful book about the journey to find 'self'.

- Just finished the book; fascinating case study of a female alcoholic. I found some information about Dee Casteel on the web; her sentence was reduced in 1990 to Life In Prison. After that, the trail on her runs cold. Is she still in prison? Released? Dead? Anyone know? Tried to find out through the author, but apparently, he is dead now.
