The hunt: At the turn of the century, there were hundreds of daily newspapers in New York (not all in English.) They merged or went out of business as the decades progressed. The New York World, was infamous during its Pulitzer ownership, but even this substantial essay doesn't say where its archives ended up or if it was ever digitized.

**REVIEW OF NEWSPAPER TREASURE HUNT**

- Once again Horsham doesn't disappoint. Although different than his usual it was most definitely a page turner. I recommend this book as a good read
- I adored this book. The narration by Michael Beck was terrific. I loved the descriptions and eccentricities of the small town characters. I can somewhat understand why Grisham readers are a little disappointed, as it is not his usual legal thriller, but I just loved it anyway. It was charming and funny, and, again, the narration was great.
