Remember, checking out testimonials can aid you make educated decisions about what to read next and can subject you to brand-new writers and styles you may not have taken into consideration previously.

## REVIEW OF NEWSPAPER TREASURE HUNT

- Evelyn Waugh's complex 1944 novel "Brideshead Revisited" defies easy description. On one level, it is the recollections of middle-aged British Army Captain Charles Ryder, whose unit is to be garrisoned at the vacant English estate of Brideshead during the Second World War. This present tense Ryder frames the beginning and ending of the novel. The bulk of the story is inbetween, as a younger Ryder narrates his life before the war, in which he becomes involved with the wealthy Catholic family that owns Brideshead. At university, the young Ryder is befriended by his fascinating fellow student Sebastian, flamboyant, hard-drinking, and probably infatuated with Ryder in a way that Ryder does not quite recognize. They embark on a series of adventures that include an introduction to Sebastian's dysfunctional family, the Marchmains. Ryder's relationship with Sebastian, and a later and very different relationship with Sebastian's sister Julia, make him both observer and participant in the family's trials. The plot is a slow-roller, and early on, the reader is apt to be carried along by Waugh's wonderfully delicious prose, alternately funny and sad, describing Britain between the two World Wars. Halfway through, the plot makes a dramatic jump in time and exposition, as Ryder suddenly is married, with children, and a successful but

unhappy artist returning from a stint in South America. The novel's themes come together in painful juxtaposition. Britain is drawn into a second world war that will end the days of empire, while the Marchmain family's Catholic faith seems to both undercut their possibilities of happiness while sustaining them through tragedy. The major players, well-drawn by Waugh, are alike in their imperfect but very real humanity. "Brideshead Revisited" is very highly recommended as a classic novel of an England now gone but once as vivid and fascinating as Evelyn Waugh's undoubted writing gifts can make it.

- I had to read this book for class and I found this book to be easy to follow and interesting. It was interesting because it discussed what life was like in a harem. The book was written from a child's perspective, which made it more personal. The book provides a lot of information on harem life that the reader does not even realize they are being taught while enjoying the story. I also thought the title was good because it describes how the women of the harem are dreaming of the outside world and what is beyond the walls. I thought Fatima Mernissi did a good job describing harem life and I would recommend reading the book for those interested in harem life, Moroccan women, or for enjoyment.
