REVIEW OF ANNEX 23B APPLICATION FOR A POLICE CLEARANCE CERTIFICATE

• I knew little about VI before reading this book, but I now i feel very comfortable using it. I like the layout and the fact that it has references and summaries all over the book. This is a book you will most likely use again and again. My only complaint were the chapters on advanced editing which were hard to understand if you are not versed in regular expressions (hence the 4 stars). Still, I

learned much from this book, and hope you will too. VIVA Oreilly!

• In *The Meaning Of Yiddish*, Benjamin Harshav (Jacob and Hilda Blaustein Professor of Hebrew and Comparative Literature at Yale University) has written an impressive work of scholar erudition and insight into the major aspects of the Yiddish language and culture. Professor Harshav reveals where Yiddsh came from and what it has to offer contemporary Jewish culture, even as it is starting to die out with the passing of the generations of ghettoized Eastern Europe Jewry. *The Meaning Of Yiddish* is an outstanding recommendation for any personal, Temple, or academic Yiddish studies collection.
