REVIEW OF PRINCIPLES OF PHARMACOLOGY BY H L SHARMA AND K K SHARMA

- This is a beautiful story, and it's true. I have given it several times as gifts. I would recommend it to anyone.
- I enjoyed reading the book even though it is a bit dis-jointed the author tied it up in the final pages. The only thing I would have included are maps and better pictures. I kept my Atlas handy as I am not familiar with that part of the world. I have a friend in Caribou, Maine and have fond memories of the Anne of Green Gables books but have never traveled to the North East. I was moved to tears by the Rabbi and Ed Brake, also by Hannah's grief. I have prayed for her. I am reminded of the scripture in Hebrews that says, "don't forget to entertain/love strangers for by so doing you may entertained ANGELS". One never knows how far-reaching an act of kindness might be. Jayne in Tucson
