REVIEW OF BOE EXAM QUESTION PAPER

- Once again
Hollywood writers have
taken what is
considered a classic
military book and
turned into a lousy
movie. They have
corrupted the story line
so bad to the point I

quit watching after the
first DVD! Maybe one
of these days the
producers of movies
like Pacific and Band of
Brother might consider
re-making this movie
and make it more truer
to the book.

- The book Waiting For
the World to End was a
very good book. I
enjoyed reading about
what Nicole Hunter
imagined. I think she
did a very good job.
She made me want to
keep on reading. She
doesn't just
concentrate on just
one subject, there are
so many conflicts that
happen in the book.
There was always
something new going
and which made me
want to keep on
reading, she definitely
caught my attention!
The only thing is that, I
wish she would have
told us what happened

with Tom and Mary, whether they were still friends and talked or never talked again after he told her how he felt. In her book she taught me a lot about life lessons and how I can be so lonely but yet live life to the fullest. Nicloe Hunter's book was awesome and one I will cherrish forever.
