The special narration design, relatable characters, and story twists make it a rewarding addition to your shelf. So, if you're looking for an exciting read, Audit Workpapers Example is certainly worth thinking about.

REVIEW OF AUDIT WORKPAPERS EXAMPLE

• A terrific memoir of life as a cop on the streets of New York's tough Alphabet City neighborhood. Wags' book is loaded with fascinating, well told stories. Especially moving is the author's recollections of his dad, also a police officer, and how they would sit side by side listening to "Dragnet" on the radio. The experience apparently fueled Wags' dreams of becoming a New York City cop. My Life In The NYPD is much more enjoyable than Wags' earlier book about his catastrophic "career" as a PI/bodyguard which ended in a felony conviction. Aside from a nasty, totally unnecessary intro by racist, homophobic shock jock Don Imus, this is a unqualified five star read. Assuming he must have at least a dozen more great tales of his life as one of New York's Finest, I hope Wags finds time to write a sequel.

• Everyone who has a funnybone needs to listen to this story. I read it as a child and it was hysterical to me then, and now as I sit and listen to it read, with some feeling...it is only funnier. And yet it is filled with the warmth of a family that loves and tries to know and understand one another--with all its warts and foibles. It's very real. Real; funny. Do yourself, or someone who needs a good laugh, a very real favor...get hold of this original audio story of "Cheaper By the Dozen." And ENJOY.
