### **REVIEW OF AMSCO CHAPTER 30 ANSWERS**

- The reason why i i put hate for my review is because i received the wrong book. I wasnt going to say anything but because you sent me this well here u go. I will never order another thing from your sight again. You didnt even let me know you were sending the wrong item, sorry i ever used your site
- I bought this book because my best friend recommended it. She had gone through her own break up and now it was my turn. It was a great way to help me realize so many things about my lost relationship. It wasnt a bad breakup but it did leave me with a hole in my heart and many questions left unanswered. This book tells you how to not do those things that you oh so want to do like calling your ex just because you miss his voice or stalking him. My breakup isnt your typical breakup because I see my ex everyday and thats what hurts the most. I know it wasnt my fault and this book helped to realize so many things but at the same time I couldnt help but wonder why. It helped but at the same it hurt to hear the truth.
