REVIEW OF R GRAPHICS COOKBOOK TUFTS UNIVERSITY

- We took our bikes to Denmark with us and rode around the country. We found this book very helpful. The

hours and directions, and descriptions were quite accurate. Most things were rather expensive. The book give good background on historical places and interesting tidbits to checkout. I think that it is an essential book to bring with if you are traveling there. If you do plan to go biking - good luck finding good biking maps - we never found any!

- I got this book for my 12 year-old nephew who just loves learning about stuff. He is having a ball with it!
