## REVIEW OF QUANTITATIVE TECHNIQUES IN MANAGEMENT ND VOHRA FREE

- I made my purchase on 12/30/11. After a few days it still showed as "waiting to ship". I sent several emails requesting a shipment date with no response. I finally gave up and attempted to cancel my order on 1/9/12 and ordered from another company. That same day my purchase showed up at my door even though my status was still not shipped. Now I have to try and cancel my order from the other company. I don't recommend buying from this company.
- obviously a very intelligent man. i thoroughly enjoyed this book and it is an easy read and very enlightened. i will definitely read more of his writings.
