Then this is the perfect book to help you move up to the advanced level and start using everyday English fluently. What

made me want to write this book? After years of teaching intermediate students who never seemed to improve I decided to find out what the problem was. You have mastered the grammar and the basic vocabulary but most textbooks just carry on like nothing has changed. However, what you need at the intermediate stage is not just more dry grammar and lists of vocabulary, but to be exposed to as much 'real' English in as many 'real-life' situations as possible. This will help you start to understand what people are actually saying and not just 'textbook' English. It will also help you to naturally 'get a feel' for the language. Every new phrase is introduced in the real context of a short story or an article. So by having fun and reading something interesting you will be learning naturally rather than having to force yourself to study. It's a simple fact that if you are having fun you will learn quicker and more easily. This series of books is an excellent way to be exposed to 'real everyday English phrases' but with the guidance of clear explanations and examples in simple English. Basically it uses simple language to introduce more complex phrases so you are eased into a more advanced level. All of the phrases in this book are in common use and are the key to unlocking fluency. I have only included phrases which I have heard recently in conversation or on the radio or television. If it is in this book it is in everyday use. So, if you are sick of being stuck and want to improve in a fun and engaging way, please press the buy button

- Bought a used copy of the book because it was cheaper and it was heavily used. For good reason, the story is wonderful and very captivating. At 231 pages it's a fairly quick read too and I was unable to put it down. Well worth the read and I heartily recommend to anyone, especially if they're at all interested in the legend of Shangri-La.
