## REVIEW OF SOLUTIONS TO PROBLEMS ON THE NEWTON RAPHSON METHOD

- This book, although very incomplete, is filled with some interesting tidbits of information. It seems to treat all areas of NJ with the same weight: perhaps this is diplomatic, but it is unrepresentative of high Jewish population areas. I do recommend this book to anyone who is maintaining a Library of Jewish life in New Jersey.

- I would, sincerely, rather scrape linoleum tile off of a concrete slab than read any more Barry Lopez.
