## **REVIEW OF RANCANGAN PENGAJARAN TAHUNAN BAHASA MELAYU TAHUN 6**

- This is simply on of the most important books ever written in the field of hypnotherapy! Even though it is not a book about how to hypnotize or how to do hypnotherapy, Parkhill lays out a foundation of how chronic illness comes into our lives and how hypnotherapy can heal us. This is recommended reading for anyone going through our training programs at the Banyan Hypnosis Center for Training & Services, Inc (a state licensed school in Minnesota, USA). We also recommend it to our clients so that they grasp the power of what hypnotherapy can do for them. If you are a healer or hypnotherapist you need to get this book, or your education is not complete! Thank you, Stephen Parkhill for writing this important book. Calvin Banyan, MABoard Certified HypnotherapistNGH Certified Hypnotherapy Instructor of the Year Author, Speaker and Trainer Hypnosis and Hypnotherapy: Basic to Advanced Techniques for the Professional (Book) The Secret Language of Feelings (Book)

- I have always remember using this book as a child with my grandma every Christmas & now that I am older, I finally have one of my own! Same version, same recipes & pictures, it just takes me back in time. I love it and am so happy to have one of my own to keep up traditions with!
