## **REVIEW OF THE LAW OF ATTRACTION BASICS TEACHINGS ABRAHAM ESTHER HICKS**

- The Witcth of Blackbird Pond is a great historical fiction book. It is one of those rare books that I set my alarm clock to three o'clock in the morning so that I can finish the book. I will admit the book is not for every one but no matter what any one says about it. I still think it is great!!
- Okay, so the intro is a bit New Age-y but this book is really full of straight-talking commonsense worth reading. You don't need to accept Toltec wisdom to see that the content of this book can help you realign how you think about your life and relationships. Oh, and it's cheaper than therapy. :-)
