- A fun read, well written by an interesting author. Gives those of us who have started over interesting insights

into possibilities.

- I think this is the best of the series, and I read it from the library, then bought it. I now have the WHOLE Ramona series TWICE!!! Once in

paperback, and once in hardback. I think the whole Ramona series is GREAT! It starts with Beezus And Ramona. Write me for any details. It's best to read them in order!!
