## **REVIEW OF HUNGER GAMES VOCABULARY CHAPTER 1**

- Very good book if already doing yoga. It would have been nice if it had mentioned that. I have never done yoga so don't know if it is going to help or not. I will give it a try if my 60+ body can get to moving.

- Great book! Shows you how to build bright, airy earthshelters that are comfortable all year round. Use your home to collect free solar heat all summer. Then cool your home passively without machinery or commercial energy. Get off the GRID! I found it by typing "earth sheltered home" on google. The website is "earth shelters dot com". If you go subterranean, you need this book! Still in print.
