REVIEW OF MEMORY ACTIVITIES FOR LANGUAGE

LEARNING WITH CD ROM CAMBRIDGE HANDBOOKS FOR LANGUAGE TEACHERS

- Some really good short stories both for readability and philosophy. Bach has written several other good books such as 'Biplane' and 'Nothing by Chance'.
- The story is quick-- there is never a slow pace. Everything shared is done so matter of factly, you'll need to back track to realize that something serious has just happened. Just pay attention to all the little ironic twists from a man banned from his own country (Voltaire, the author, I mean.)
