## REVIEW OF ENCYCLOPAEDIA OF OCCUPATIONAL HEALTH AND SAFETY

- This was a terrific book! It grips you in the first chapter and doesn't let go! I am not a person who is all that much into reading period pieces but this was just an intriguing story that was well written.I really enjoyed this book alot. Warning: this book will consume you! I found myself up reading until 2 am on many nights without even realizing it...

- I have to admit, I usually do not like historical fiction...this book was no exception. I read half, and read the end because it was boring.....
