Whether you're looking to increase your horizons or conduct study, our uncomplicated and complimentary solution is here to sustain you every step of the means.

REVIEW OF PRENTICE HALL LITERATURE BOOK GRADE 11 ANSWERS

- "Wait a minute, wait a minute....Is this a kissing book?" Well, yes and no...you'll just have to read it to find out for yourself. William Goldman is a legend in the world of screenwriting, known for his clever, crisp dialogue and engrossing narrative, so why should his novels be any different? Utterly charming, 'The Princess Bride' combines action, adventure, plenty of swordplay, and yes, some kissing....Those of you who only saw the movie (also written by Goldman -- see my DVD review) are

missing out on many of the delights of the book, notably on the developed backstory of the characters and the clean, wry prose. Here's a bit of trivia: First, there is NO S. Morgenstern -- he is made up, fictitious, a red herring...accept it and move on. Second, Mr. Goldman will send you a lost section if you write to his address and request it (the one of mentions in the book)! When I first read that 10 years ago, I wrote to the company mentioned in the book

and was delighted to receive my bonus section! (Hey, Mr Goldman if you are reading this, I lost my copy 3 years ago when I moved to LA! Could you please send me another one?) :) Cherish this book and keep it to share with your children.

- The Princess Bride is the best story ever written. It has the power to take you away with just the first sentence. I loved this book as a child and I still love this book 21 years later.
