- I was very happy with my order. It was brand new, still in the wrapper and it was delivered very fast! Thank you.
- This book did seem good at first nice charts ect ectIt talked about the KO system and the KO preferred systemThe KO preferred system is the KO system with abt 18-22 rule changes for certain situations eg hit on a 16 V a 10 unless the count is above -4The KO system is an unbalanced system in itself making it much eraser to count then the slandered HI-LO system used by most players today.What the book didn't do for me was compare the differences of the HI LO system and rely show me that it can preform as equally sure you can say this

statistic means it works as well but why does it work as closely? IT Was a good one to learn basics of KO But it did not truly convince me how effective it is!!!! and that is what i really wanted to learn about the KO system
