REVIEW OF CHARLIE AND THE CHOCOLATE FACTORY CHAPTER TESTS

- This is a unique book that was long overdue. The tips in this book are real time-savers. Yes, someday I might have discovered them without reading this book but then, maybe not. I'm glad I found them all in this nice package. I value my time, so I'm sure that putting even a couple of these practical ideas to work will pay for the book many times over. A lot of these tips and tricks are buried in large user guides I'm sure but I really haven't seen many useful ones, specially for advisors, all in one easy-to-read place like this before. Thanks Kip!

- For those of us glued to our television sets during this Spring's events during the passing of Pope John Paul II and the election of our new Holy Father, Benedict XVI, this book brings back many touching memories of a special time in our Church's history. Matthew Bunson, Catholic author and historian, has given us a timely (but not rushed) account of this transitional time. Highlights of the book include a chronology of Benedict XVI's place in the Church history timeline, a first-person retelling of the funeral, conclave and election process and events, lovely and high quality color photos, and a look ahead at the Church our new Pope will lead into the future. Also included are a comprehensive list of the Pope's prior publications, a complete list of popes, and a helpful glossary. Bunson's book is well written, highly detailed but also very readable. A book to enjoy today and to share with our children in the future when we recount our memories of this special time.
