Remember, reviewing testimonials can help you make informed decisions concerning what to review following and can reveal you to brand-new writers and genres you could not have thought about before.

REVIEW OF AUDITION CENTRAL ELF THE MUSICAL JR SCRIPT BUDDY

- I founded International Relocation Services SA de CV in Mexico City over 25 years ago. The author

chose our name to list as a reference for "relocating" to Mexico without checking with us. This normally would be FREE advertising, but since we only do corporate relocation in the major business centers of Mexico, it has been a minor irritation. I am amazed at the 20-30 letters i receive each year for the past many years; each is a request that i send everything they need to know about retiring in Mexico. i have a form letter that i send to each of these inquirers because i feel it would be rude not to; however, the real problem is that our company is in a book for "retiring to Mexico". I just wish she had checked with us or researched what the focus of our business is. On the positive side, i found lots of useful information in the book. If there is a reprint, i hope we are not in it or that

we are designated as a corporate relocation source.

- I received a homemade-looking copy of book on CD. I am not sure if it is an original or a bootleg copy and after trying to deal with the publisher, I don't trust them at all. After making my purchase, I started receiving emails soliciting a 5-star review from the Platinum Millenium Publishing company. If you buy this product, they will ask you to give them a positive review and promise to send you 2 free items in return. Don't do it. I left a positive review months ago and, even after several follow-up emails, I have not heard a thing from this company and I have not received my free items.
