Celebrity aesthetician Joanna Vargas shares her secrets for the first time in this practical, engaging guide to beautiful, glowing skin for everyone. Celebrity aesthetician Joanna Vargas is known for her cutting-edge beauty treatments, high-end products, and famous (and seemingly ageless) clients. But her secret to beautiful

skin rests on one simple principle: developing and maintaining a good skincare routine. In *Glow from Within*, Joanna teaches readers how to create the best routine for their skin type. She explains the science behind the labels of various products and tools—from serums to retinols, dry brushes to sheet masks, vitamin c to hyaluronic acid—then offers instruction on how best to incorporate them into a routine. She also shares fresh insight into how the other self-care routines we don't often connect to our skin—such as nutrition, sleep, and stress management—impact skin appearance and resiliency. In addition to giving readers the tools to create a

customizable routine, Joanna will provide specific product recommendations, DIY recipes, and programs for time-specific goals (one week, one month, six months) as well as emergency troubleshooting for skin issues that pop up overnight. *Glow from Within* is the ultimate guide to flawless skin from one of the beauty industry's most sought-after insiders.

Is the United States prepared for the Baby Boomers to grow old? This book seeks to answer these questions. It also suggests strategies to make sure that the answer to these questions becomes YES. Much has been written about the Baby Boom generation but this is the first book to address current issues

they face while simultaneously projecting ahead to challenges and benefits that are likely to characterize this next generation of older persons. It is based on keynote presentations by noted leaders in the field of aging, who discuss their expectations of their old age. Thus, it is both an introductory primer to aging today as well as a book that raises questions, suggests solutions, and indicates avenues of planning for the future. The book takes a close look at the state of readiness of health and social service providers for the large numbers of older persons in society's future. A careful look is taken at what is and what might be in the areas of income security, health

security and health care, long-term care, and housing and living arrangements. The importance of this book lies in the fact that it addresses the lack of planning by both the Baby Boomers and services providers, and identifies steps to be taken, with particular emphasis given to needed changes in the education of health and social service professionals to prepare them for what lies ahead.

REVIEW OF JOANNA D PROFESSIONAL MASSAGE AND BEAUTY THERAPY

• I have had the pleasure of reading this entire series of books, and truly enjoyed them all. What I enjoy the most about the books is the blending of history and scifi in such a seamless storyline, or the blending of two different stories into one storyline. The reserch and skill that this requires is wonderful. I would recommend these books to anyone. Hawke fans should also check out his Wizard series as well. Titles to look for are The Wizard of Whitechaple or The Wizard of Sunset Strip. These stories combine

the Pendragon legend of King Arthur and Merlin set in the future. Merlin brings a new source of power to the world MAGIC. Try them, they are very entertaining.

• Critique for: Wanting Something MoreBy: Kathy LoveRating: 5 out of 5 StarsSYNOPSIS:It's a snowy December evening when supermodel, Marty Stepp, drives through Millbrook, Maine in her jaguar. She's left her modeling agency and career with no notice to spend the holidays with her family, sisters Abby and Ellie. On her way home, she encounters Nathaniel Peck, Millbrook's chief of police. She remembers him as a conceited jerk, but unknown to her, Nate's had a life-altering

experience, and is not the person he once was. Nate follows her home that snowy evening, concerned she won't make it in her jaguar. When he approaches Marty, all she remembers is a time in high school when he humiliated her. Nate doesn't recall the high school incident at this point. Months ago, Nate was attacked while he slept in his home and almost died, going into a coma. When Nate woke up, he was a changed man. He grew out his hair, became a vegetarian, and is now a "big brother" to a couple of hard-luck kids. Despite the change, Marty is reluctant to believe it, even though the sparks fly between her and Nate from the moment they meet. Marty tries to fight her attraction to Nate, but it's futile. She's hopelessly fallen for him. Nate, who is really a great guy, can't help but be attracted to the supermodel. He finds her gorgeous - inside and out. They go out on a series of dates, and Nate tries to go slow for Marty's sake, letting her set the pace. Finally, on New Year's Eve, Nate and Marty consummate their relationship. Nate's old friend, Jared Nye, tries to come between Marty and Nate. His sister, Josie, tells Marty lies about Nate, which scares her so bad, Marty leaves to go back to her modeling career. Nate learns of Jared and Josie's deception, and follows Marty to New York where he wins her

heart.CHARACTERS:Nate and Marty - The Main charactersMary Stepp is pretty, personable, and ready to settle down after a high profile career. She wants something more out of life than modeling can give her.Nate Peck is a changed man and a very likeable guy. He's very contrite over his past hurtful actions and he's a male Adonis to boot.Abby, Ellie and their families - Supporting charactersIt's nice to catch up with Marty's sisters. Abby and Chase are expecting and while Abby tries to knit a blanket for the new baby, she realizes she's not much of a homebody. Ellie and Mason are very happy together. They have a daughter, Emily, who is adorable and

precocious.Jared Nye - The bad guyJared wants everything Nate has - his land and Marty, and will stop at nothing to get it. Through the course of the novel, it is revealed that he's the one who attacked Nate and almost killed him.PLOT AND PACINGMy only complaint with the pacing is that by page 200, I was as sexually frustrated as Nate. Still, it's not enough to take away my five star rating. When Marty and Nate finally consummate their relationship, it's very rewarding.The plot is perfect for "Chick Lit". It's a very engaging novel.DIALOGUECrisp and sharp, it easily moves the story forward.DESCRPTIONS Love gives the reader enough to allow the reader to picture

snowy New England in the winter. There's not too much or too little. She's found the perfect balance and sets the novel well. THOUGHTS AND IMPRESSIONS "Wanting Something More" is a very easy read. Love is

a master at Chick Lit and the Stepp Sisters series is very enjoyable. If you want to take a time out for an evening, this novel is the perfect one to do it with. Mary and Nate easily pull you into their world.
