## **REVIEW OF QUICKBOOK CHART OF ACCOUNTS FOR FUNERAL HOME PDF**

- The Pie and Pastry Bible by Rose Levy Beranbaum is one of my favorite cookbooks. It's definitely the one I use the most, as is obvious from my version's dog eared and splattered pages. This book contains a section on crusts from which I learned to make excellent crusts. She describes in detail how to produce no-fail tasty crusts, the foundation of pies and tarts. As for the recipes themselves, here are a couple of my favorites from the Pie and Pastry Bible: "The Best All-American Apple Pie" and "Fresh Blueberry

Pie".

- This book is one of the most amazing childrens' stories I have ever read. Its vivid detail creates a real-live depiction of Bess and her adventures in her big, sleepy room. The illustrations also are absolutely beautiful, capturing the

emotions of Bess and her adventures. I recommend this story to any parent looking for a beautifully-written, wholesome story to read to their young children. A great present from a family member or simply a wonderful addition to a bookshelf.
