We hope this write-up has actually influenced you to check out Hitachi Tagmastore Manual, get in touch with fellow viewers, and create your very own evaluations. Pleased analysis!

## **REVIEW OF HITACHI TAGMASTORE MANUAL**

- It was at this point that the WoT started to suffer from bloated exposition, and drawing out scenes that in the long run didn't amount to anything. What was truly annoying was the scene in Ebou Dar, where the narrative was drawn out incessantly over Tylin/Matt, the introduction of the Kin and the petty squabbling with the Windfinders. Also particularly annoying was the introduction of Casuane-am I the only one who felt her introduction was a little too convenient (after the disappearance of another prominent Aes Sedai in Book 5)? Along with Faile, Cadsuane has become another character that grates on my nerves. Also the Rand/Perrin argument should not have been off-screen (as it were)-that scene deserved to be told in real time, not rehashed from memory. Despite those complaints, Ebou Dar has some funny moments, and the second half of the book really pushed the action. We got to see some interesting Forsaken viewpoints, and the ending fight scene was decent. It would not have been bad if not for the lack of action in the first 200 pages.

- I started this series last year. and I think I finished

the entire...well to the 6th book at least in about a month. I thought Lord of Chaos was the best among them. The Crown of Swords was a bit of a let down. I was expecting a lot of plots to be ended in that book, and if not ended, at least bring me out of suspension. A Crown of Swords, like the rest of Jordan's books start off kinda slow, and about 3 quarters the way in, you begin to feel the action filled pages. I agree with many of you that Jordan is beginning to dwell on the most obscure details. However, I feel that Tolkien is even more of a detailed writer. Not to Criticize the

King of Fantasy, but I believe that Jordan is about to Dethrone him. Jordan's plots so far have been the most creative and unique I've ever read. His characters are rich with life, he makes you have known them all your life. In my opinion, No more plots, no more characters. I mean the current plots, as many as there are, will sufficiently fill his 10 book quota. I long a wait for his next book to come out...A Path of Daggers I believe it will be called...And Mat better be married in this one.
