REVIEW OF CHAPTER 18 SECTION 3 THE COLD WAR AT HOME ANSWER KEY

- My daughter liked it and liked the explanations in the back under the Casebook part.
- The Lord of the Flies is a very good book. It may seem that it doesn't make a lot of sense at first but once you understand it is really quite good. Before the book begins a plane, with a group of young school kids, crashes in the middle of the ocean near an island. This has already occurred before the book begins. The book begins with a kid walking around the island trying to figure out where he is. His name is Ralph. He is an important kid in the

book. While he is walking he finds another kid whose name is Piggy. Piggy and Ralph are two of the main characters. Ralph and Piggy realize that they are on an island with no adults. Ralph decides that for them to have the best chances of survival they must find all of the people on the island. To do this he uses a conch shell to make a noise. The noise calls all of the kids towards him. There are several groups of kids and even a boys choir that comes to the meeting. The conch shell represents power and leadership to the kids. The kids form a working relationship and they live with each other for a while. Then something drastically changes. This is a great book about how kids can take leadership and power. They were very organized while doing this but they still found a few set backs on their way. It also demonstrated how people can become very savage. This is one of my favorite books that I have read. I would recommend The Lord of the Flies to anyone that enjoys reading adventure and suspense novels.
