REVIEW OF ZP COPELAND SCROLL COMPRESSOR RANGE FOR R410A ALFACO

- This story was written in 1912, the year the Titanic sank. The science is fanciful but forget about all that. John

Carter is Ivanhoe on an alien planet. This is a book that will take you away from everyday cares and you will find it to be all too brief, but fear not, "The Gods of Mars" awaits...

- This book is very good but it needs some more kids stuff.
