Generally, our analysis of Holistic Health Promotion A Guide For Practice Nuzers has provided us with an abundant understanding of the narrative and its literary capacity. We highly advise this publication to readers that are looking for a provocative and mentally impactful read.

### **REVIEW OF HOLISTIC HEALTH PROMOTION A GUIDE FOR PRACTICE NUZERS**

- I was looking through some of my books from the last few years and I saw this one in the "don't read again pile". I read the back cover and couldn't really remember why I wouldn't care for it so I decided to give it another try. I now remember why I didn't like it in the first place. As some reviewers have mentioned, the beginning plot is a little loose. Alec is supposed to take spoiled Therese to Gretna Green but he instead kidnaps her cousin (what a coincidence!) who was looking for a hackney (at that time of night?). I don't know about you but if I was going to run off to Gretna Green with someone I would greet them in the carriage but whatever. Fine. I can handle a loose plot if the rest of the story is good. It isn't. Julia, the cousin of Therese and main character, is very annoying. She thinks herself above everyone and takes on the task of "reforming" her husband. Even though he doesn't really need it. She doesn't listen to him and thinks that she can just ignore everything he asks. He is willing to compromise but she thinks that it's her way only. She also doesn't want to sleep with him because she doesn't want to be brought down by "pleasure". This isn't an uncommon theme in romance books, especially historical ones, except in this case they are married. Even after they get to know each other and like each other she doesn't want to be "brought down by carnal pleasures". It is okay and by the laws of the time, necessary, to sleep with your husband. As you can imagine, her ignoring everything that her husband has asked her to do - in order to comply with the stipulations of his grandfather's will - blows up in her face and they are immediately in trouble and may lose their fortune. (Of which, on her insistence, half is to go to her charity.) Then when Alec gets mad at her for not listening to him, she cries and his friends tell him how mean he is! She is so stupid and silly! I wanted to shake her by the end of the book. Of course, everything ends up well and tied with a neat bow. This usually isn't a problem for me. I like HEAs but the coincidences in this book started to get to be a bit much. I would spend my money elsewhere.

- This "short stories of apocalypse" sheds some light to the overall story. We really get to understand what happens in Canada and how the military in UK reacts etc. A must read if you have read the previous trilogy
