REVIEW OF VOCABULARY IN US INTERMEDIATE WITH ANSWERS

- As usual, I enjoyed this novel by Philippa Gregory. I like the way she writes this series in the first person. I would recommend it to anyone who enjoys early British Monarchy history. It is well researched.
- i feel that this book lets everyone who takes the time to read it and actually listen to what the author is trying to say, take a glimpse of what our whole world is really like...i mean we all have heard the stories like cinderella and like gilligans island and how everything works out hunky-dory...well guess what people! that isnt how real life works...people,by nature, are savages...if the situation calls for it...we do and will turn to our most primordial instincts...which is to do anything to survive and destroy all opposition. this book gives any and everybody a close up view of how easily our whole world can come crashing down upon our heads...mayhaps many of us should take heed from what this book tells us...dont lose your heads...
