books like **Diversity Amid Globalization 6th Edition!**

REVIEW OF DIVERSITY AMID GLOBALIZATION 6TH EDITION

- I have many Angelina books and this is a welcome addition. Anyone reading to a child hopefully reads through the book a couple of times prior to reading to the child. Reading can be balanced showing what is expected and what actually happens. This books adds balance and depth to Angelina's character. Her behavior is typical of children who may not understand sharing, that things change, but that they are no less appreciated. Angelina's family reacts through understanding, encouragement

and allowing it to be a learning experience. There is nothing permissive or coddling from the parents. Angelina comes to the realization that being a big sister is a challenge. She ends the book reading (sharing) her favorite book and whispering, she is going to teach her sister to dance, sharing her first love. There is nothing inappropriate in the book. It is her parents and grandparents who turn the negatives into understanding. Going from being an only child to an older sibling can be difficult depending upon the parents.

- I have been using it for years and it has become an integral part of my bedtime routine. It helps me to go to bed in a positive frame of mind regardless of how difficult the day may have been. Its a wonderful way to end each day. I

recommend it to all!
