REVIEW OF MICROELECTRONIC CIRCUITS SOLUTION MANUAL

- Extremely refreshing, will capture your interest as Patterson always does. Easy reading that stirs the inner feelings of love we all harbor for one another.
- did anyone notice the masculine pronoun "he" referring to Sam on the first few pages??? then, when the call from the nursing home came, sam was no longer a "he" but a she! i must've re-read the first 5 pages at least 10x, wondering if i was seeing things!!! editing mistakes like that, right out of the gate, are totally bogus. i never bothered reading further!
