REVIEW OF CFA LEVEL 1 SECRET SAUCE FULL ONLINE S1P

- I was actually shocked to discover my 32-year-old daughter had never read Fear of Flying. Did a whole generation miss this wonderful, funny, witty look at a woman's sexuality and it's place in our society? I hope not. Erica Jong was one of those important writers who showed an entire generation of woman it was OK to be who, deep down inside, we thought we were. Making us laugh along the way was just an extra added bonus. Personally, I'm taking care of my daughter's lack by buying FOF for her

Valentine's Day present. It's time to re-read FOF and then pass it along to your daughter. This is one gift that won't be returned!

- Tomoko Fuse is one of the best known names in origami, and modular forms seems to be the hottest current area. She takes her work seriously, she states, always trying to create the most perfect folds. I am a beginner with a casual interest in moderately complex figures, so this book is way above my interest, commitment and skill level. The large number of black-and-white photos and diagrams also index this as a book for the serious origami hobbyist.
