5TH EDITION BY THOMASI

- I received this item quickly and in perfect condition! First time using Amazon and I loved it! I am taking an 8 week online course and this book is extremely helpful with review over chapters since my class moves so

quickly through the actual book. Great study guide overall.

- Every parent, partner, person should read this book ... is one that I'll keep on my frequent read list for a long time to come. Definitely puts the overused term of 'love' into perspective ...
