## REVIEW OF HARRY POTTER CHAPTER QUESTIONS

- A wealth of knowledge about famous individuals. Great as a hands on reference to a celebrity's life and death. Excellent
- Here is the fictional autobiography of Howard W. Campbell, Jr., as given by the awesome Vonnegut. Without giving away key plot points, I'll recommend this book right off the bat. Here is Vonnegut, yes if you can believe it, decrying the state of humanity, wittfully and ironically too. There is a given moral sense to *Mother Night*, which Vonnegut states in the Introduction: "We are what we pretend to be, so we must be careful what we pretend to be." And *Mother Night* is a story of how Howard W. Campbell, Jr. and his associates must and do and will deal with said moral. *Mother Night* is quite moving, in the way that so much Vonnegut is; in that here is a hero or anti-hero, a lead if you will, who is shaped rather than shapes his or her time. And how that shaping baffles, sparkles, crushes, devours, stimulates and paralyzes. Given an opportunity to be someone else, and taken to the fullest, for a good cause (or not), where are you then? You only have yourself....in the end....to blame....Again, highly recommended.
