REVIEW OF HUMAN ANATOMY MCKINLEY 4TH EDITION PDF

- This book is one in a vast library of African American literary history that I possess. It is academically written, yet very easy to read. The contents of this text continue to inspire my will to be a great humanitarian, world citizen, and advocate for African education, science, medicine, and unity
- the book gives you an outlook on slavery and how it was in those times. I find these books to be very interesting, just to give me a little more knowledge on my history and hope to learn something that I don't already know.
