REVIEW OF DOOR CARD REMOVAL GUIDE SEAT IBIZA

- I grabbed this book, figuring I would try some of the classics. Figuring, what would be better than the book that assisted in breaking our country (US) in two. This classic was simply put amazing

and well worth the hype. Mrs Stowe has created great characters in this novel and even though most readers know she was an abolitionist she did a very good job at being unbiased, showing both sides as equal as possible, pro-south, pro abolitionist and those people in between. The good and bad southerners and the good and bad Northerners. I am shocked that only one other person has reviewed

this timeless book. Please read it, review it and tell your friends. This book is a jewel.
