Generally, our evaluation of Starborn The Order Of Orion Book 1 has supplied us with an abundant understanding of the story and its literary capacity. We extremely recommend this book to viewers who are searching for a thought-provoking and emotionally impactful read.

REVIEW OF STARBORN THE ORDER OF ORION BOOK 1

- I've read a bit about Anne Boleyn and the rest of Henry VIII's court and many wives, so I was intrigued by this book in spite of the flashy movie tie-in cover. Like most, I had no previous knowledge of Mary Boleyn's life. The factual evidence that Mary was Henry's mistress for 2-3 years, together with the timing of the births of her first two children would certainly give great credence to the theory that they were Henry's children, as well as the many honors which were granted to her family during that time. It would also seem very unlikely that Henry would have tolerated Mary bedding both him and her husband during the years of Henry's favor. Regardless of the accuracy of Ms Gregory's narratives relating to the maneuvers of her father and uncle in getting her into Henry's bed, or what Mary may or may not have thought about the role of women in her era, I think the author is owed a few bows for bringing this bit of history to wider audiences than serious Tudor scholars. Certainly the 4 or 5 biographies of this era that are in my personal library scarcely mention Mary at all. Ms Gregory has written an interesting and very readable tale, one that kept me turning the pages.

- This is one of the best books I have ever read. I got addicted to reading it and would stay up so late at night. It has AMAZING characters, plot and twists, and the writing is incredible. My favorite part of this book is the story is not wholly non fiction, and it makes these historical characters come alive.
