The distinct storytelling design, relatable personalities, and story twists make it a beneficial addition to your bookshelf. So, if you're seeking an exciting read, Kamisama Kiss Limited Edition Vol 25 is most definitely worth thinking about.

REVIEW OF KAMISAMA KISS LIMITED EDITION VOL 25

• I loved this book. It was just incredibly fun and very entertaining. That is not to say it did not have serious moments, because it did. I am usually not a fan of Hollywood/L.A. scene books, but enjoyed this one. I did not find it that bogged down in stereotypes as other reviewers did. Sure, some were there, but often the stereotype would surprise you and do something very "unstereotypical." I read this book in a day. I loved Richard's journey and all his friends, Nic, Anhil, Cynthia, Ben, Malibu and The Actor, Tad, even the sink hole investigator guys; and the 911 receptionist. It was kind, hopeful, made me laugh and on more than one occasion made me celebrate life and the people in it, quirks and all. It also made me laugh at some of the ridiculous things people are into, and why. The book pokes fun at a lot of new-agey L.A. stuff, but in a way that is not dark ~ just seemed to see the humor in it all. If you want a fun, entertaining time, this book is great for that. It may not be Pulitzer material, but you'll probably enjoy yourself. I was truly bummed when it ended. Everyone I've recommended it to has thanked me.

• I saw the movie and thought the book would be pretty good, after all the books are usually better than the movie. This was not the case here. The book is well written, but in that sort of your English teacher makes you read it cause it's a good example of well written technical fiction. Its not too enjoyable, it doesn't flow well. I found it very hard to relate to the characters or feel anything for them, regardless of the fact they were real people. What was even harder for me was the age of the main character and her lust for the king, I mean the girl was 13 or 14 in this book. The author talks about lust, passion, and love -- the age of the girl in the book made it very unbelievable. I had to force myself through it. I wouldn't recommend it -- if you are looking for anything similar to the movie here you won't find it.
