REVIEW OF LADO ENGLISH SERIES LEVEL 1 WORKBOOK

- A must read book for all ages young and old."Lord of the Flies" is a book about a group of boys who were stranded on a remote island during

World War II. Jack, Ralph, Simon and Piggy were some of the main characters in the book. Ralph, who is the leader for most of the time in the book, has a strong rivalry with a boy named Jack. Simon is sort of a "peace maker" in the whole book while Piggy is usually the brains behind everything. Throughout "Lord of the Flies", the boys will have to face hard obstacles not only physically, but mentally and emotionally as well. I feel that I could relate best to Piggy because he at times was very much needed but at other times no one would care if he was there or not. This book is a book that will captivate you for years to come. I know you will enjoy it just as much as I did. Although the ending was a bit of a disappointment, overall, the book is very good. I would

recommend this book to anyone that likes stories that are just great to read.

- The book, Lord of the Flies, is a story about a group of kids getting stranded on a deserted island and how they survive without adults. I didn't like the way that many of the kids went crazy. I know you are stranded on a deserted island but i don't believe that you would just go crazy like that. I know that being on an island like that would probably make you alittle crazy, but not enough to brutally kill two of your peers. They all knew that in order to be survive, they needed to maintain order. I don't believe they would just betray their elected leader just to have some fun. As for the characters, I like Ralph. He handled himself well in the situtation. I did his best to maintain as much order as he

could. You could tell that Ralph was had the potential for a good leader. Jack on the other hand, I didn't like. At first he seemed like he was a nice kid but then he turned on Ralph and formed his own tribe. I couldn't believe when kids actually followed him. Then he got everyone to turn on Ralph who was just trying to keep order on the island. At one point Ralph gives in to Jack and goes to have a feast with him. They then kill Simon because they thought it was the monster running down the beach. Jack just made things out of control with his new tribe. He turned everyone into killers. I like Piggy for one reason, because he was the only one to stay with Ralph. This eventually got him killed, but he was loyal to the leader that he elected. Beside that he was that

great of a character. He seemed like he would get on your nerves after awhile. That's mainly the reason I didn't like his character that much. The ending of the

book was horrible. I was expecting something more to happen than for them to just get rescued. That is the main reason I didn't like this book
