REVIEW OF THE PORTABLE DOROTHY PARKER VIKING PORTABLE LIBRARY

- I first saw *Man of La Mancha* as a pre-teen in the late 60's on Broadway, and have loved it ever since. Using the *Don Quixote* story to counterpoint a fictionalized crisis in the life of Cervantes was a brilliant approach to including critical stories from *Don Quixote*, while adding an external commentary (by Cervantes) on the meaning. Wasserman has as a result taken Cervantes' farce, and turned it into a statement on the inherent nobility of the human spirit. The true transformation of the play is in the transformation of Aldonza into Dulcinea via the medium of *Don Quixote's* mad idealism. Sounds like I love the musical, right? So why three stars? I bought the script after years of listening to the Original Broadway Cast recording *Man Of La Mancha* an absolutely brilliant recording. I wanted to remind myself of the full text, not just the songs. And what do I discover? One of the critical songs, "What Do You Want of Me?" sung by Aldonza (in between "I Like Him" and "Little Bird" in the recording), has been entirely omitted from the script. It's one of the most moving pieces in the musical, and is critical in helping demonstrate the confusion that *Don Quixote* initially causes in Aldonza. It's still a great play, and still worth getting, but diminished because of this gap.

- Having grown up as a "downwinder" from Hanford I could relate to the author's story. She did a good job of sharing what it was like to grow up in rural America in the 50's and 60's, as well as telling an eye opening part of American history that most people know nothing about. My sister is living it, having gone through surgery for radiation created thyroid cancer two years ago.
